What is the New England Amateur Skating Foundation?

The NEASF is a non profit organization whose primary mission is to help amateur competitive skaters financially by defraying some of their ever increasing training expenses. The Foundation is a tax exempt organization under 501 (c) (3) of the Internal Revenue Code.

Donations are received from both individuals and corporations. The monies received are then distributed to skaters to assist with training, ice fees, equipment, competition or travel expenses. The NEASF Allocations Committee reviews its information about a skater and allocates funds accordingly. Information reviewed includes comments and recommendations of clubs, professionals, donors, as well as the experience and competitive level of the skater.

To receive support all skaters must submit a bill signed by the skater, parent and head coach. Payment is made directly to the vendor or service provider.

One hundred percent of your donation goes to the skater. The NEASF charges no fees and there are no deductions of any kind. All of the operating costs are paid by volunteers.
